Definitions

Halo Subscription commission = Net Dollars Paid/mth (avg \$100/mth) x %
(Net Dollars = Total less sales tax/credit card charges/etc)

Halo TBYB commission = \$100 or \$150 for first month depending upon rank
and additional months commission shall be pro rata % based
upon remaining System commission due over total number of
months for completed Halo System purchase

HaloPro Subscription commission = # of treatment hours used x \$13.75 x %
#Treatment Hrs Used = #Treatment Hrs used in the period that
were paid for (i.e. not "free or gifted" treatment sessions to
the Commercial Advisor)

Magnesphere Subscription commission = # of treatment hours used x \$10.20 x %
#Treatment Hrs Used = #Treatment Hrs used in the period that
were paid for (i.e. not "free or gifted" treatment sessions to
the Commercial Advisor)

Buyout
When a Customer purchases a System at Full Buyout Price and
does not have a subscription associated with their purchase.
